

COMMUNITY OUTREACH PROGRAM

Thank you for welcoming the Northridge Restaurant into your neighborhood! It is a pleasure to meet the individuals who make this area a wonderful place to be. We are eager and excited to become active participants in this community and to give something back to our loyal supporters.

The Northridge at Lake of the Pines owners and staff are inviting you to participate in our Community Outreach Program. We are committed to supporting local organizations that benefit the health, education and happiness of our children. Two of the major influences, outside of family, in a child's life are schools and churches, and by supporting them we hope to make a difference. Our goal is to create a partnership beneficial to all parties involved.

The Northridge at Lake of the Pines will donate two percent of all weekday breakfasts and lunches enjoyed by anyone who mentions your church or school. All purchases will be added quarterly and you will receive a check reflecting your supporter's participation. We request a receipt including your organization's name and non-profit tax id number.

Thank you for your time and I look forward to working with you to make this community an even better place to live.

Crystal Dossman
Northridge Restaurants, General Manager
